Safety rules

Dear visitors,

Welcome to AVAPS s.r.o. We greatly appreciate your visit and wish you to feel comfortable and safe with us. Therefore, please observe the following instructions:

- ⚠ Do not move around the area without the company or knowledge of our employees.
- ⚠ Respect prohibition, alert, command and information tables.
- ⚠ Do not enter by yourself into the production hall. Do not manipulate with the company's facilities. If you come to service or repair, do not start work before the workplace handover (i.e. without the knowledge of a department manager or other authorized employee).
- ⚠ Special security rules apply to visitors of the development centre. At the time of entry to the development centre, you will be introduced to them.
- ⚠ Be careful. Do not forget that there are cars, trucks and forklifts on the premises of the company. Please park in areas allocated for visitors.
- ⚠ Observe traffic regulations when walking and driving.

Thank you for following the safety guidelines and helping us to maintain a safe environment.
